WSCCA Coach's Pledge

I, \_\_\_\_\_ vow to be the best coach that I can be. I realize that my cheerleaders rely on me for safety, guidance, leadership, encouragement and discipline. I understand that I must be a role model to them both on and off the playing field. My primary role is to build positive and ethical lifetime character traits in my athletes and I must demonstrate these same qualities through my behavior. As a coach, I will abide by the following principles:

I will show respect for all my cheerleaders, coaching staff members, school administrators, parents and officials.

I will establish and uphold standards of effort, behavior and character for my staff and cheerleaders.

I will accentuate the positive and recognize and appreciate my athletes.

I will exhibit understanding, patience, enthusiasm, and perseverance. I will expect and nurture the same qualities in my cheerleaders.

I will treat my opponents with fairness, generosity, and courtesy.

I will be responsible for my own attitude, actions and habits and through my daily choices. I will focus on positive sportsmanship.

I will be a person who takes loss or defeat without complaint and victory without gloating.

I will know, understand and follow the rules of the game at all time.

I will encourage and motivate my athletes and help them build self-confidence.

I will develop champions of life.

I will follow my heart, adhere to my convictions, and instill positive values and a sense of self worth in the young people that I coach. I pledge to meet these expectations to the best of my ability.

Signed on this day \_\_\_\_\_, in the year of \_\_\_\_\_
